# Special Friends

Summer Camp at  
Camp Copneconic

# Who are our Special Friends?

Our Special Friends are adult individuals (age 18 and older) with cognitive disabilities. Special Friends, each with their own unique set of abilities and challenges, travel across the state to attend Special Friends summer camp.

## Our Mission

- Share about our most special friend, Jesus
- Provide experiences to participants outside of their normal schedules
- Give caregivers a break from daily responsibilities

Some people tend to think of our participants by what they cannot do, but we like to think of our Special Friends by what they can do! Each participant is a gift from God. It is our joy and privilege to offer these experiences to these wonderful individuals.

“My son looks forward to this every year.”

-Parent of a participant
