Professional Church Worker Scholarships

Initiative Goal: \$3,000,000.00

“Then he said to his disciples, ‘The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest’” (Matthew 9:37/38).

“Every year there are students who have to make the difficult decision of selecting the second choice for their schooling because of cost considerations. A contribution toward church work scholarship directly impacts the number of pastors who will serve the church and the quality of their training.”

— Rev. Prof. Charles R. Schulz, Pre-Seminary Director, CUAA

The Lutheran Church—Missouri Synod has a long history of sending well-trained professional church workers into our congregations and schools to preach the Gospel, equip the saved, reach the lost, and educate our children. These core values of our church would not have occurred throughout our history— or will they occur in the future— without a strong emphasis on equipping those who serve so faithfully in our congregations and schools. Concordia University Ann Arbor, the Michigan District’s very own school, and all of the Concordia University System schools and seminaries, are dedicated to achieving these outcomes.

The cost of attending a school of higher education continues to increase annually, and we want to financially support and encourage professional church work students so that they may follow our Lord’s call and go out into the harvest field. Students who attend a Michigan District congregation, are enrolled full-time in a CUS university or seminary, and have made a commitment to serving Christ’s church, are eligible to receive a financial scholarship from the Michigan District to assist them in meeting the costs of completing their education.

The 500th Anniversary Celebration Campaign will help provide the funding for substantial scholarships given to those students who have committed their lives to serving the Church as professional church workers. Please join us in this historic endeavor.
