

There are approximately 30 million grandparents in the U.S. Each one is a potential influence in the lives of their grandchildren. Most Christians would agree, but so little is being done to challenge and equip them.

Legacy Coalition is here to encourage churches to minister to grandparents as they encourage and influence their grandchildren. Our desire is for grandparents to look beyond the pleasures of the retirement culture and invest in the lives of their grandchildren.

Legacy Coalition raises the importance of grandparenting through training, discussion, seminars and webinars as well as recommended resources shared by ministry partners. Legacy Coalition is committed to elevating grandparenting above the larger seniors ministries of the church today.

Yes, the grandparenting relationship has incredible potential for discipleship. Legacy Coalition wants grandparents to reap the rewards of their ministry to their grandkids.

When it's all said and done, we want our children and grandchildren to join us in heaven someday. That's the ultimate goal for every Christian grandparent. The **LEGACY GRANDPARENTING SUMMIT SIMULCAST** is coming to St. Lorenz Lutheran Church in Frankenmuth, Michigan. The theme for the 2026 event is **Heart for Eternity**. Because God put eternity in our hearts, things on this earth will never satisfy. Instead, as grandparents, we must focus on our mission, purpose, and role in our families.

This event will inspire and equip you to be a powerful Christian influence with grace and truth in your grandchildren's lives to navigate them through today's culture in how God can use every moment or interaction you have with your grandchildren to point them to Christ.

At the simulcast presentation, you'll hear from top-notch Christian speakers. Each speaker addresses a specific purpose to help you fulfill your biblical role as an intentional Christian grandparent. The **Legacy Grandparenting Summit** will inspire, challenge, and equip you to **navigate being a Christian grandparent with grace and truth** in today's culture so you can be a powerful influence in your grandchildren's lives.
